Select the model you are interested in and click on the Try

It button on this page. Microsoft's parental controls are a bit more detailed than Google's version, but it's similar in spirit.

Testimonials: This is a product that I was very excited to try as a replacement for Unblock-us. I was able to download and test a bunch of apps and music using it. That way, Unblock-us blocked them all to see if they are safe or not. No issues and it's pretty accurate. Audio and video quality are decent. I did not see any ads and only 1 pop up. Windows 10 Home 2 BCA
